Professional Skills: Communication, Leadership, Problem-Solving, Time Management, Teaching

Front-End Development Projects

DrivePay – Car Financing Calculator GitHub Repository
Digital Egypt Pioneers Initiative (DEPI) | Practice Project *HTML, CSS, JavaScript*

- Developed a web interface for calculating car financing costs.
- Created input fields for car brands, model years, down payments, and financing periods.
- Implemented interactive calculations for monthly installments, interest rates, and total payment amounts.
- Designed a consistent user interface using a defined color palette and organized layout.

Moharb Studio Website View Live Website
Personal Web Development Project *HTML, CSS, JavaScript*

- Built a website to present a creative studio and its services.
- Structured the website into Home, About, Services, and Our System sections.
- Incorporated the studio's visual identity into the website design.

Personal Portfolio Website View Live Website
Portfolio Project *HTML, CSS, JavaScript, Git, GitHub*

- Developed a portfolio website to showcase technical projects and creative work.
- Applied web layout and styling principles to organize content and navigation.

Data Analysis Projects

Fawry Business Data Analysis National Telecommunication Institute (NTI) & ITIDA
Data Analysis Training Project *Excel, Power Query, Python, SQL, Power BI*

- Analyzed a dataset containing more than 2 million transactions, over 30,000 merchants, and 61 services.
- Worked with transaction amounts, fees, payment statuses, merchant information, device details, and timestamps.
- Performed data cleaning and exploratory data analysis to prepare the dataset for further analysis.
- Worked with derived features including processing speed, success status, price categories, and fee rates.
- Applied SQL and relational database concepts to organize and query data.
- Contributed to a Power BI dashboard designed to present transaction trends and business performance.

Work Experience

Chess Coach July 2026 – Present
ThinkTree | Remote *Part-Time*

- Conduct online individual and group chess sessions for children and teenagers aged 6–18.
- Explain chess fundamentals through interactive lessons, puzzles, games, and activities.
- Track attendance, maintain student progress notes, and assign practice activities.

Marketing Graphic Designer Aug 2026 – Sept 2026
Moharb Studio | Remote *Full-Time*

- Created graphic design and marketing visuals for the studio, aligned with the brand's visual identity.
